

Associate Opportunity, Richmond, NELSON

Are you committed to living in the sunny and relaxed Tasman region? Are you looking for an opportunity for growth and to work alongside an experienced and dynamic Principal?

Join a thriving, modern practice in central Richmond that employs Gonstead, Diversified, Activator and NSA techniques.

We are looking for a chiropractor capable of taking on structural work and broad-based chiropractic and who may also offer a speciality or focus.

We offer a full time-negotiable, contract position to an enthusiastic team player at a centre that is planning and structured for growth.

For more information on joining our cohesive and collaborative team,

Please send a hand-written application letter with your CV to:
