

ASSOCIATE POSITION

★ LIVE & WORK BY THE BEACH ★

★ JUST 90 MINUTES FROM MELBOURNE ★

Do you love the beach?

Do you love clean fresh air to breath?

Do you love living the “Eat well, move well, think well” chiropractic wellness lifestyle?

Do you love working with kids and adjusting two, three and four-generation families?

If you answered yes any or all of these, you may be our ideal new team member!

Pure Wisdom Chiropractic & Lifestyle is located in the growing regional town of Wonthaggi, just 90 minutes from Melbourne and 10 minutes from the beautiful beaches of Inverloch and Kilcunda. Our family wellness centre sees mostly young families, although we pride ourselves on helping people of all ages.

Our principal chiropractor, Dr Sarah Pearce (formerly Martin), is fully booked with a waiting list of new patients. As a mum for her 20 month old daughter, Dr Sarah is looking to reduce her hours and bring another inspired, passionate family chiropractor on board to serve this hungry-for-health community. The centre is currently open Monday, Wednesday and Thursday, and we would like to hand one of these days to the associate and open up another two for you to see new patients and create your own patient base and “business within a business”. We utilize a variety of techniques, including diversified, SOT, TRT, CBP and craniosacral corrections.

We have a strong marketing plan set in place for the successful applicant, ready for a community that is largely untapped and waiting to hear the power of chiropractic and the wellness lifestyle. Thorough coaching and support will be provided by our team.

The centre currently holds weekly workshops, seasonal food cleanses, offers homeopathy and massage, and is constantly evolving. This work-life balance is sensational if you love middle-of-the-week beach days, prefer big city weekends to weekdays, no traffic or traffic lights, friendly, passionate patients and a community atmosphere.

To find out more:

Email Dr Sarah at sarah@purewisdom.com.au or call Marcus on +61 400 323 723.

The start date can be December 2011 or Jan 2012, depending on availability.
