

Chiropractic Associate Opportunity

Dominican Republic, Caribbean

We are looking for a principled chiropractor who is ready to change the world!

Seeking a new associate who is interested in working in a purely chiropractic office, seeing high volume of patients, being financially rewarded, learning to run a successful cash practice, learning Spanish, living/working with a team of motivated subluxation-focused chiropractors and joining the rapidly growing chiropractic movement that we are leading in Latin America.

If you want success, if you are goal driven and if you want an associate position that counts contact Dr. Liam P. Schubel before you miss out!!!
