CHIROPRACTOR WANTED, Yass, NSW (near Canberra), Australia

Associate required for growing country practice in Yass, NSW, 50km north-west of Canberra. Principal wishes to reduce hours.

I am looking for a friendly, focussed chiropractor who is open to working in a country area. I would like you to not only take over part of my existing patient base, but also build up your own clientele.

Yass Chiropractic is the only chiropractic practice in a 50km radius. An understanding of, or a willingness to learn about, the Gonstead system would be beneficial.
