

Loving Locum Required

From March 2012 to September 2012 in the outskirts of Melbourne, Hurstbridge

We are looking for caring, autonomous and confident chiropractor to replace a practitioner and NZCC graduate of six years while she takes maternity leave. Currently the practitioner is working Monday, Tuesday, Thursday and Friday half days, so the applicant could work these shifts, or three longer half shifts, or two full days (Tues/Thurs). To ensure smooth transition the applicant would be confident working with pregnant women, children and families.

Experience in SOT, AK, NET, Thompson Drop, Activator would be a bonus as well as any post-graduate training.

Applicants should be fully insured and licensed to practice in Victoria. It would also be of benefit of the applicant would be willing to begin some shifts from February onwards, to insure a smooth transition and to give Dr. Jaslin a rest!

The practice has full CA support, a naturopath, a bioreasonance practitioner and a myotherapist, with cross-referrals common.

Contact Dr. Jaslin Hood on +61 433 034 949 or +61 39717 2839, for a chat.

Or, Dr. Jaslin will be in Auckland at NZCC for exams on 12 and 13 November and would be happy to meet and chat to anyone interested.
