

# **McMILLAN**

## **CHIROPRACTIC CENTRE**

**Part of the Abundant Health Group**

### **Associates Positions available with McMillan Chiropractic Centres in Sale, Bairnsdale and Traralgon, Victoria**

Beginning in January 2012 there will be significant patient hand over to replace one chiropractor returning interstate, and one commencing maternity leave. We are a well established, family maintenance group of practices in Gippsland, with 10 chiropractors, numerous allied health practitioners and professional support staff.

The successful applicants will be likeminded chiropractors who want to further their careers. We are looking for people with a passion for family and paediatric wellness care and a desire to grow and learn. You will be highly motivated and keen to work within our team of dedicated, committed, supportive and mentoring professionals. Techniques include SOT, manual, and activator.
